Location

Blanes: A Charming Holiday Destination on the Costa Brava

Blanes is a popular yet cozy holiday destination that has preserved its typical Catalan charm. The area around Blanes is characterized by long sandy beaches, steep cliffs that drop into the sea, and numerous small, secluded coves with crystal-clear water. The promenade ends in the north at a headland, where the ruins of Castell de Sant Joan from the 11th century stand. From this vantage point, you can enjoy a breathtaking view of the Costa Brava.

Located just about 6 km from Lloret de Mar, Blanes offers an old town that still reflects the original fishing village as it was 60 years ago. In the narrow streets, you will find countless restaurants serving fresh fish dishes, paella, and chicken specialties, as well as small bars and numerous shops. The particularly wide sandy beach stretches over 4 km and invites you to relax and sunbathe.

Blanes offers plenty of opportunities for variety, such as a stroll through the old town or a visit to one of the many attractions.

In addition, Blanes is home to two of Europe's most important botanical gardens. In the Jardí Botànic Marimurtra, the more famous of the two, the rugged natural landscape is enhanced by artful garden architecture. Here, visitors can discover more than 3,000 different species of trees, shrubs, and flowers. Several lookout points offer magnificent views of the sea and the coastline below the botanical garden.

A special highlight in Blanes is the annual fireworks competition, one of the most important in Spain and Europe. This spectacular event lasts seven days and takes place during the Festa Major in honor of the patron saint Sant Joaquim during the week of July 26th.

Blanes combines the best of the Costa Brava: stunning landscapes, historical landmarks, and the charm of a typical Catalan fishing village. A visit here promises unforgettable experiences and pure relaxation..
