Location

Empuriabrava - The Little Venice of Spain

Empuriabrava, also known as Ampuriabrava, is a captivating coastal town on the Gulf of Roses that has transformed over the past forty years from a former swamp into a true gem for watersport enthusiasts. Inspired by the lifestyle of Florida, a holiday paradise like no other has been created here on the Spanish Mediterranean coast.

The town stands out with its unique architecture and an impressive selection of villas and holiday homes. Many of these charming properties feature private gardens, garages, and direct access to the picturesque canals that weave through Empuriabrava. Here, you can moor your boat right at your doorstep and conveniently explore the extensive waterways.

Empuriabrava is home to the largest marina in Europe, stretching over more than 30 kilometers of navigable canals and offering more than 5,000 berths. The cleverly designed road system allows access to many properties both by car and by water, giving the town its distinctive character.

6 kilometers and is one of the widest on the Costa Brava, offers ideal conditions for relaxation and swimming. The gentle waves and crystal-clear water make it a perfect spot for families and sunbathers alike.

The center of Empuriabrava is a lively place, characterized by arcaded boulevards, numerous shops, inviting music venues, bars with cozy outdoor terraces, and bustling nightclubs. Every visitor will find something to their liking, whether it's a leisurely shopping trip or an exciting evening out with friends.

The surrounding area of Empuriabrava offers numerous attractions. A visit to Figueras, the birthplace of the world-renowned artist Salvador Dalí, and its fascinating Dalí Museum is a must. Equally enchanting is the picturesque fishing village of Cadaqués, known for its narrow, whitewashed streets and authentic Mediterranean atmosphere.

Nature lovers will be in their element in the approximately 5,000-hectare nature reserve around Empuriabrava. This idyllic area invites you to take long hikes and offers an impressive variety of flora and fauna.
